Membership Information of The Forensic Psychiatry Research Society

Aims

1. To increase co-operation and collaboration between those with an interest in forensic psychiatry research;
2. To provide a foundation on which to influence national priority setting for research into forensic psychiatry;
3. To support those in the early stages of their careers in academic forensic psychiatry;
4. To facilitate the translation of research findings in forensic psychiatry into practice.

Full Membership

Full membership of the Society will be open to psychiatrists with an interest in forensic psychiatric research. To be considered for full membership an individual must meet at least one of the following criteria:

1. Have held a grant related to research in forensic psychiatry within the preceding three years which is in excess of £50,000;
2. 3 or more peer reviewed publications relating to topics in forensic psychiatry in the preceding 3 years.
3. Hold a full university contract relating to a position in Forensic psychiatry.

Associate Membership

Associate membership of the Society will be open to any psychiatrist with an interest in forensic psychiatric research but who do not meet the above criteria.

Membership Fees

Full membership £25.00 annually
Associate membership £15.00 annually
